1* Please note this training is targeting learners with fewer opportunities and we are therefore encouraging applications of 4 young learners (with fewer opportunities) and one tutor (youth worker) coming from the same organisation.

2*Where there is a support organisation identified we will liaise with this organisation in addition to the individual learners in order to offer support for pre-preparation for learners. We will also send out information and support packs to any support organisations whose learners register for this workshop.

We would welcome a Curriculum Vitae being attached to this application however this is not compulsory.
