# Leonardo Project in «Brandenburgische Sportjugend im Landessportbund Brandenburg e. V.»

# GERMANY

## the project

Brandenburgische Sportjugend im Landessportbund Brandenburg e.V. run different project based on sport. The game will provide an alternative for young people from life on the streets, drugs and alcohol and will promote the development of interpersonal

skills including interaction, negotiation and compromise and encourage equality between males and females. By using sport as the tool young people can channel their energies into the game in a structured manner promoting safety and health for young people and

ultimately leading the greater employability of young people.

The trainee will help the organisation. This is the weekly timetable of a Leonardo trainee:
