MESSENGERS

Green 'N' Rock 'N' Roll !

Be Volunteer at Leeds Festival!

## Give up your free time for a worthwhile cause and have a free access to Leeds Festival.

Every year Leeds Festival attracts thousands of music lovers. Keeping the site environmentally friendly is a huge challenge, that the Green Messengers try to manage. This volunteering experience gives volunteers the chance to have access to the festival for free.

### What will I do?

As a Green Messenger you will work to promote recycling, collect cans & plastic bottles and salvage good quality, re-usable camping equipment that has been left in the campsites which will be given to charity and community organisations. For more information about the activities please click here. *For more information about the activities please click here.*

### How long will I have to work?

This year there will have 2 GREEN MESSENGER TEAMS

- **Team A** will work 2 shifts on 'show days' (Friday 26th August, Saturday 27th and Sunday 28th) and 1 shift on Thursday 25th before the festival.
- **Team B** will work 1 day during the festival (Friday 26th /Saturday 27th or Sunday 28th August) and 2 days after. Post event (Monday 29th August, Tuesday 30th) you will be part of the salvage team, helping clear the site of reusable camping gear.

Green Messengers will work a total of 24 hours for the duration of the Festival. They will usually work 3 x 8hours shifts allocated by Everything is Possible.

### And what about the Festival?

The activities are usually held before the concerts. So you will be able to spend your free time in the festival enjoying all the bands and entertainment on offer!
